## TONIGHT'S GAME – BUFFALO at WASHINGTON – SUNDAY, SEPTEMBER 21, 2014

This is Buffalo's first of six preseason games after opening camp on Thursday, Sept. 18 at First Niagara Center; it is their first of three road games during the 2014 preseason. Tonight's game is being broadcast on NHL Network and ESPN 1520.

Buffalo and Washington have played 28 preseason games all-time. The Sabres are 16-10-2 in preseason contests against the Capitals. In their preseason history, the Sabres are 2-1-1 at Washington and 4-1-1 against the Capitals at home; 18 of the 28 preseason games between the teams have been played at neutral site venues, with the Sabres going 10-8-0 in those games. The Sabres are 4-0-2 since 2000 in preseason games against the Capitals. The teams have split their last four regular-season games, with all four games going to overtime and three of the four decided in the shootout.

The Eastern Conference foes will face-off three times throughout the 2014-15 season. Their first meeting of the regular season will be on Saturday, Nov. 22 at Verizon Center. The teams will play the remaining two games in the series just nine days apart, in Washington on March 7 and in Buffalo on March 16.

The Sabres are 142-149-50 all-time in the preseason. Buffalo is 29-13-4 in preseason action since the 2005-06 season, including a 4-2-1 mark in 2013. These totals only include NHL games; the Sabres also defeated Adler Mannheim, 8-3, as part of the 2011 NHL Premiere Series in Germany.

Buffalo will open the regular season at home on Thursday, Oct. 9, as they host the Columbus Blue Jackets. The team will then travel to Chicago for their road-opener on Saturday, Oct. 11 against the Blackhawks.
